MARTINE CHARTRAND

Bulletin d'Aylmer

Excellent composition, depth of field and forethought by the photographer. The photo definitely says a great deal about the event it is part of!

ANASTASIA PHILOPOULOS

The Low Down to Hull & Back News

Great depth of field. It coincides well with the copy speaking of the woman remembering the old steam train coming in when she was young!

CASSANDRA KERWIN

Quebec Chronicle-Telegraph

This photo, while it looks set up, definitely says a lot. I love the composition and the history it portrays.
